Domeinspecifieke leerresultaten van de opleiding:

The proposed MA GPSSS has six major and general learning objectives (categories):

1. The graduate demonstrates thorough knowledge and understanding of the major theoretical debates related to Peace Studies, Security Studies and Strategic Studies and is capable of independently formulating theory-informed arguments with a level of originality to address a complex situation.
 2. The graduate demonstrates autonomy when applying major concepts and paradigms in a multidisciplinary and integrative manner to complex policy challenges related to peace, security and strategic issues as well as when proposing alternative solutions to complex problems by drawing on the interdisciplinary knowledge and insights from theoretical literature.
 3. The graduate recognizes major societal and moral challenges related to global peace, security and strategic studies and their real-life implications and to autonomously draw on interdisciplinary knowledge to offer original policy proposals to mitigate them in a way suitable for specific context.
 4. The graduate demonstrates the ability to communicate effectively major conclusions, rationales, arguments and research limitations to specialist and non-specialist scholarly and policy-maker audiences in the field of peace, security and strategic studies and beyond.
