Domeinspecifieke leerresultaten

1. DocNomads graduates are able to establish themselves as independent, creative documentary filmmakers, who developed their own personal artistic style.
2. DocNomads graduates are able to direct films that are competitive on international festivals and markets.
3. DocNomads graduates have advanced experience in editing, sound recording and cinematography.
4. DocNomads graduates are able to write a production file (treatment, budget) in order to find producers and/or to apply for funding.
5. DocNomads graduates are able to pitch and defend their film project in an oral as well as in a written manner.
6. DocNomads graduates are able to cope with the outspoken and sometimes contradictory opinions and criticisms of peers and understand that such evaluations will be an element of their professional life in order to improve their performance.
7. DocNomads graduates are familiar with historical and contemporary developments in documentary filmmaking.
8. DocNomads graduates are able to find, read and process academic literature on film. They can confront their own opinions with the results of their literature review and write an academic paper reflecting their analysis.
